

Make a Choice – *Step 3* to Reach Your Money Goals

Complete this quick activity to help you think differently about your financial goals.

1. What are some things you think are important to have in your future? **Write the top 2 on the roof of the house on the next page.**
2. How would someone describe your financial situation? **Write a few descriptive words on the outside frame of the house.**
3. Despite what other people say, what do you believe? **Write a few words on the door to describe how your financial situation *really* is.**
4. What reminds you of why you need to keep striving for your financial goals? **Write few things in the cloud to motivate you to change how you think about money.**
